OFSTED registration number – EY416923

Home Farm is a family run day nursery in Bromsgrove, Worcestershire. Caring for up to 55 children the nursery is set in an idyllic, rural location within two acres of private grounds.

Our aim is to provide high quality care in a safe, caring and stimulating environment, encouraging children to develop into confident, successful individuals.

The nursery is registered with OFSTED to provide care for children aged 3 months to 5 years. Our staff are dedicated to the provision of a homely, relaxed environment for children to learn through positive play experiences. We inspire children to blossom as confident individuals by giving them encouragement and praise in an equal opportunities environment and recognising each child's individual needs.

The nursery is divided into four main areas - Ducklings, Squirrels, Hedgehogs and Lambs. Outdoor facilities include a covered playground, secure garden, nursery pets, minibeast and sensory garden, vegetable patch and a purpose built construction zone.

We are committed to equality where children can feel valued and free from discrimination. The nursery promotes and upholds 'British Values', which are a set of five values introduced to keep children safe and promote their welfare.

The Nursery policy document is available for parents to access in the nursery and on the website.

Aims and objectives

- Provide a secure, happy and stimulating environment in which children can build meaningful relationships with both adults and children.
- Encourage children to develop a positive self-image, in which they see themselves in relationships with others, helping them to function with confidence.
- Promote and reward positive behaviour by delivering a consistent approach to behaviour management.
- Plan for children's individual development, enriched in positive and rewarding experiences.
- Provide a learning environment that is non-discriminatory and is proactive in delivering equality and diversity.
- Assess, record and evaluate each child's progress to ensure that every individual is challenged and supported to achieve their full potential.
- Establish positive working relationships with parents/guardians ensuring a smooth transition from home to nursery.
- Liaise with and encourage good working relationships with outside agencies, drawing on their knowledge and support in their specialised areas.
- Acknowledge and meet the needs of all our staff's professional development.

Admission

Upon receiving your completed registration form and registration fee (waived for fully funded places) your child's nursery place will be reserved subject to availability. Please note that applications are processed on a first come first served basis.

Staffing

The nursery will be staffed in accordance with OFSTED. Adult to child ratios are:

0 – 2 years	1:3
2 – 3 years	1:4 (1:5)
3 – 5 years	1:8 and 1:13 (dependent on staff qualification)

Staff are deployed in the nursery to meet these ratios. Your child will be allocated a member of staff who will be their key person. This person will form a particular bond with your child and will be responsible for their care and development.

Nursery fees will not be charged during these times. For any additional, ad hoc public / Bank Holidays the decision to close or remain open will be at the discretion of the directors of Home Farm Day Nursery Limited.

We also offer an additional 7.30 start on request. (£5.00 charge applies).

Childcare vouchers

Many employers now offer childcare vouchers through a salary sacrifice scheme; Home Farm will accept these as full or part payment of your fees.

Tax-Free Childcare

Home Farm is registered to accept payments for the Government's Tax-Free Childcare scheme.

Nursery funding for 3 and 4 year old children

The term after your child's third birthday you will be entitled to Education funding from the Government. Home Farm is registered to accept this funding. For further information please refer to the Childcare Choices website (<https://www.childcarechoices.gov.uk>) or the Nursery Manager at Home Farm. The methods by which the funding are applied at Home Farm Day Nursery are detailed below.

Offer for the provision of the 15 Universal and 15 Additional government funded hours for 3 and 4 year old children:

Option 1 – term time only attendance

Both the 15 universal hours and where applicable the 15 additional hours will be applied during the term time (38 weeks of a standard school year). The terms will be:

Autumn – 14 weeks
Spring – 11 weeks
Summer – 13 weeks

The maximum entitlements will be 570 universal hours and 570 additional hours.
Funded hours are limited to a maximum of 10 in any one day.
Funding will be calculated based on the average hourly rate of the existing booking pattern.
No changes to a booking pattern can be made mid-term but additional ad hoc sessions can be booked and will be invoiced at the full prevailing rate.

Option 2 – year-round attendance (51 weeks)

Both the 15 universal hours and where applicable the 15 additional hours will be applied by spreading over the following periods:

Autumn – (September – December) 16 weeks spread over four months.
Spring – (January – March) 13 weeks spread over three months.
Summer – (April – August) 22 weeks spread over five months.

The maximum entitlements will be 570 universal hours and 570 additional hours.
Funded hours are limited to a maximum of 10 in any one day.
Funding will be calculated based on the average hourly rate of the existing booking pattern.
No changes to a booking pattern can be made mid-term but additional ad hoc sessions can be booked and will be invoiced at the full prevailing rate.

Nursery funding for working parents of children aged between 9 months and 3 years old

Offer for the provision of the 15 government funded hours

The hours will be applied by spreading the funding over the 51 weeks of the year that the nursery is open.
This means that 11.17 hours per week will be deducted from monthly invoices.

The 51 weeks are offered in the following periods which align with the deadlines for obtaining the required / relevant eligibility codes:

Autumn – (September – December) 16 weeks spread over four months.
Spring – (January – March) 13 weeks spread over three months.
Summer – (April – August) 22 weeks spread over five months.

The maximum yearly entitlement will be 570 hours.
Funded hours are limited to a maximum of 10 in any one day.
Funding will be calculated based on the average hourly rate of the existing booking pattern.
No changes to a booking pattern can be made mid-term but additional ad hoc sessions can be booked and will be invoiced at the full prevailing rate.

To ensure that parents receive their entitlement a valid code must be obtained by:

31st August for September to December funding,

31st December for January to March funding,

31st March for April to August funding.

Parents can check and apply for their entitlement code using the Childcare Choices website.
<https://www.childcarechoices.gov.uk>

Once a code has been obtained this must be provided to the nursery office.

Food

Home Farm works with 5 aday Catering to promote 'healthy eating'. We offer your children a freshly cooked healthy, balanced and nutritious meal on a three-weekly menu rotation (see nursery website and parent board for menu). 5 aday Catering can cater for dietary requirements, allergies or food intolerance.

There is an additional daily charge of £2.95 for lunch.

Whilst your child is in Ducklings you may supply your own food which can be re heated. Alternatively, we offer a weaning version of the 5 aday Catering menu.

If you would prefer your child not to have a hot meal, you may provide a cold packed lunch. Where this option is taken, we encourage parents to provide their child with a healthy nutritious and well balanced diet. Please consider what you send into nursery as we will not serve high risk foods such as rice, shellfish, products containing nuts or fish/chicken with bones. We request that all food is sent into nursery in a suitable lunch box/cool bag containing an ice pack. Please ensure that you clearly name all food.

Nursery will supply your child with a mid-morning and afternoon snack.

Dropping/collecting your child

The nursery front door is controlled by an intercom system. Once identified, you will be met at the door by your child's key person or another staff member from their room.

If your child is being dropped off or collected from nursery by someone other than yourself they will be required to provide a password and may be asked to provide photo identification.

You are asked to give written permission on the registration form of anyone that you allow to collect your child. For late collection please refer to policy document.

Settling in new children

All children are individuals and settle in at different rates. We offer two settle in sessions prior to them starting with us. This is a good opportunity for you to discuss your child's needs and development with their key person and to get to know the room staff. These settling visits help your child become comfortable in the nursery and start to get them used to playing with the other children and toys. As every family and child is different we are happy to accommodate extra settling in visits if necessary.

We encourage all children to bring with them any form of comforters or favourite cuddly teddy bear, that will help them during their settling in period.

Items provided by nursery and parents

Items provided by nursery include:

- Dishes, plates, cups/beakers, bibs and cutlery
- Mid-morning and afternoon snacks
- Cows milk
- Water to refill water bottles
- All art/craft materials
- Development records/ learning journeys

Items to be provided by parents include:

- A lunchtime meal clearly labelled with child's full name, if not opting for nursery hot lunch.
- A supply of nappies, wipes and any creams used.
- Formula milk already measured out, clearly labelled and empty bottles.

(It is a good idea to send in an extra one just in case)

- If you wish for your child to have breakfast between 7.30 and 8am we ask that you provide it. You can also provide a hot option (ducklings only) for afternoon tea.
- A spare change of clothes.
- In the winter, appropriate outdoor wear, including wellington boots and waterproof coat.
- For the summer, hats and sun block must be provided.
- Water bottle filled with water.

Nappy changing and toileting

Parents need to supply nappies, wipes and any creams used either on a daily basis or in bulk (Ducklings) to be stored at nursery. Staff will inform you when the supply is running low.

If you feel your child is ready to start toilet training the staff are here to support you and maintain any routine you have implemented at home. Please do not hesitate to ask for advice or information. Parents should provide several changes of clothes including socks and shoes if possible when toilet training.

Name tags

All items belonging to your child/children must be clearly named to help reduce loss and confusion, including their bag containing supplies for the day.

Clothing

Many nursery activities involve getting messy, we do provide aprons but accidents do happen. Please send your child to nursery in clothes you don't mind getting dirty. Any clothing soiled at nursery will be placed in a carrier bag for parents to take home for laundry.

Coat pegs

All children have a coat peg. Your child's coat and bag will be stored here.

Care and Education

We follow 'The Early Years Foundation Stage,' a comprehensive statutory framework that sets the standards for the learning, development and care of children from birth to five.

In each room planned learning opportunities are displayed for parents to view. This tells you the activities your child will be participating in. Activities in the nursery are planned around the areas of learning, the children's ability, their interests and their needs, enabling a broad range of skills to be acquired including physical, intellectual, emotional and social development.

For more information about the EYFS visit;

At Home Farm we recognise the importance of play and the key role it has in shaping each child's development. To promote this we encourage all the children to have an active role in choosing which toys are set out within the rooms.

Ongoing observations of children participating in everyday activities is the most reliable way of building up an accurate picture of what children know, understand, feel, are interested in and can do. Observations are made when children are involved in child initiated, adult initiated and adult led activities.

By observing the children we can plan their next stages of development and guarantee that each experience is tailored to the individual child. The observations are placed in a learning journey which shows how each child is progressing. This will be sent home at the end of their nursery experience as a diary of their time here for you to enjoy.

Parent open evenings will be arranged twice a year to view and discuss learning journeys and observational checkpoints with your child's person.

Home Farm recognises the importance of positive and effective behaviour management strategies in promoting children's welfare, learning and enjoyment. For our behaviour management policy please refer to the policy document on the website.

Sickness and medication

If your child is sick please notify the nursery. Please refer to the nursery policy document, website or exclusion chart below for guidance and seek advice from your GP. If your child becomes unwell at nursery you will be contacted and asked to collect them.

It is the policy at Home Farm that written consent must be given by the parent before any medicine can be administered. All medicines (both prescription and non-prescription) need to be 'prescribed' and labelled with the child's name. Medicines containing aspirin need to be on prescription from a doctor.

Parents/carers will be required to complete a medication consent form detailing child's name, DOB, name of doctor, name of medication, expiry date, dosage, method of administration, the date, time medication is due, time medication has been previously given and reason for administering (with the exclusion of teething gel and nappy rash cream).

A separate form will be required for each course of medication.

All administration of medicine will be recorded and the parent asked to sign the medication consent form to confirm they have been informed of administered medicine.

Students

The nursery accepts students wanting to gain experience or working towards a recognised childcare qualification.

Students are always supervised by a qualified/experienced member of staff and the time they spend in the nursery varies. Students are involved in all areas of nursery life to gain as much experience as possible with the under fives.

As part of their training students/trainees frequently need to observe individual and groups of children in the nursery setting. These observations are included in the student's course work. The children's names are never used in any observation, all work is checked by the nursery manager or deputy to ensure nothing of a confidential nature is recorded.

Conditions of booking

By completing the nursery registration form you agree to:

- Declare who has parental responsibility of the child *
- Declare if any person has legal contact with the child**
- Pay nursery fees by the 10th monthly (invoices are issued on 1st of each month)
- Provide a £50 registration fee (waived for fully funded places). This is a non-refundable fee which guarantees your child's place.
- Give four weeks notice if a place is no longer required a place or you wish to decrease the agreed number of hours (notice must be given in writing to the manager and will be taken from the date it is received).

**(A married couple who have children together automatically have parental responsibility. Parental responsibility continues after divorce. Mothers automatically have parental responsibility.*

Where the parents are not married the father has parental responsibility if;

His name is registered on the birth certificate (after 1 December 2003)

He later marries the mother.

Both parents have signed an authorised Parental Responsibility Agreement.

He obtains a Parental Responsibility Order from the court.

He obtains a Residence Order from the court.

He becomes the child's guardian.)

Please be aware that any person with parental responsibility has the legal right to remove their child from the nursery without the consent of a second person with parental responsibility. If either parent is no longer an authorised person to collect, they must provide evidence that they do have parental responsibility by way of the birth certificate or court order etc, and identification to prove this.

*** (Legal Contact is anyone who has applied to a court for access to the child and been given legal contact rights.)*

Grievances

If a parent has a grievance about the nursery they should follow these guidelines. Please remember there is usually a solution so always discuss issues straight away.

- Discuss the matter with your key person (if appropriate).
- Discuss with the Nursery manager or deputy.
